

WORMLEYSBURG BOROUGH COUNCIL'S COMMITTEE ON STREETS,
HIGHWAYS AND SANITARY AFFIARS
MINUTES
JANUARY 31, 2018

The meeting was called to order at 8:30 a.m. by Chairman Deklinski with the following members present: Mr. Deklinski, Mr. Kahler and Ms. Stuski. Also present were Mr. Martini, Council President, Mr. Berresford, Borough Manager, Keith Straight and Dawn Smith from T-3 Global Strategies

Mr. Deklinski ask for a list of potential roadways for the 2018 Streets Program. The south bound lane of Yverson Drive, the bend at 3rd Street and Edna Street, Chestnut Street and a portion of Rupley Road were mentioned. T-3 will look into these streets for a recommendation and estimates.

Mr. Berresford brought up the need for a storm sewer line replacemnt at Hillside Circle and Hillside Drive. Te will also look at this project.

T-3 went over the plans for the ADA Improvements at Redding Park restrooms. There was some discussion on drainage problens along the east side of the building. The time line for this project is:

- February 13th approval to go to bid.
- February 18th to advertise bid.
- February 25th for a pre-bid meeting.
- March 13th for awarding bid.

Mr. Deklinski asked T-3 to procede with getting quotes to do the ADA work on the south end of the Harvey Taylor Bridge Underpass.

There being no further business the meeting was adjourned at 9:05 a.m.

Gary W. Berresford
Borough Manager
