

CHAPTER 26

WATER

(The Stormwater Management Ordinance is on file at the Borough Office.)

PART 1

FLUORIDE IN WATER

§26-101. Authorization and Direction

PART 1

FLUORIDE IN WATER

§26-101. Authorization and Direction.

Upon receiving the approval of the Pennsylvania Department of Health and until further direction of the Council of Borough of Wormleysburg the Riverton Consolidated Water Company is hereby authorized and directed to provide the means and to proceed with the addition of approximately one and not more than 1.5 parts of fluoride to every million parts of water being distributed in the water supply system of the Borough of Wormleysburg.

(Res. 9/14/1954)
